

Fire Department Building Committee June 20, 6:30 pm - Fire Station

Skip Bothfeld, Andy Luce, Dean Deasy, Mike Hogan, Karen Deasy

Ruth Goodrich, Berny Shatney, Steve Cox & Mrs Cox, Glen Goodrich, Jeff Haslett,
Tamie Marian Jenn Miner

1. Review agenda

Meeting called to order 6:33 PM No changes to the agenda

2. Public comment

Tamie Marian indicated she would like to see what funding sources the FD is applying for, she would also like to see the FD's written policy on class 4 road response. Also requested as an option closing and outsourcing FD services.

Steve Cox has asked for additional notice on agenda's and clarity on the items for discussion, a more descriptive listing of the agenda item. The committee discussed and will post a message board the week prior to the next meeting at the FS.

3. Discuss upcoming town vote

Skip discussed the Fire Department would like to commit to a vote on the various options so that the committee can start to move forward with a plan . Committee will split into subgroups at next meeting to develop option proposals for a vote at town meeting. Develop options, new station with needs, new station with community space, rebuild existing station

4. Mailing information

A variety of mailing options and delivery methods were discussed, in mailing info a request for email addresses could build an email list for project updates
Discussed opportunity to work with Creamery and increase public perception awareness of fire department in the community

5. Other business

6. Next meeting date July 25 th 2019, 6:30 pm

7. Adjourn 8:30 pm
