via Zoom

1. Call meeting to order – the meeting was called to order by Fred Ducharme at 6:05 p.m.
2. Approve Agenda – a motion was made by Ruth with a second by Matt to accept the agenda as printed. Motion carried.
3. Public Comment – There was no public comment
4. Moving of 2 Poles – GMP (Willey Building and Common) – The pole in front of the Willey Building was marked to be moved as it may be cracked at the base. They suggested that it be moved closer to the sidewalk which would help with snow plowing and place an anchor pole somewhere between the playground and the snowmobile. The other pole that needs to be replaced is by the Common. It has been hit by the snow plow and has a large piece cut out of it. They are suggesting that it be moved in a bit which would help the plowing and it be anchored on the other side of the white posts. A motion was made by Ruth with a second by Matt that we accept these changes with Green Mountain Power put guards around the anchor and reflective tape for visibility at night, motion carried.
5. Other Business – There was no other business.
6. Adjourn – A motion was made by Ruth with a second by Matt to adjourn. We adjourned at 6:12 p.m.

Respectfully submitted,

Betty Ritter
Cabot Town Clerk/Treasurer
