

Location: Rec Pavilion June 17, 2021

Cameron called meeting to order at 6:05.

Rec member attendees were Cameron, Jess, Brandy, Shannon and Brock.

Agenda was approved by all members.

Previous minutes were approved by the members.

Public comment: Neil Banton and Karen Mueller-Harder were in attendance. Neil introduced himself and said he came to meet people and learn as much as he could about different committee's in town. Karen came to discuss the theater camp this summer and get specifics on use of facilities and tents. We agreed that we would put up canopy's for her to use for the week of the theater camp, as well as have the school open the cspac building.

Jess updated us on summer camps and how it is very hard to find volunteers to run them. There is interest with the high school kids to help run them, but we need an adult to participate as well, and people aren't jumping at the opportunity to help.

Many members of the rec committee were not going to be available to help at the 4th of July events, but those that were in town were eager and willing. Some will run the activities, others will cook, and the rest will supply up the food. Everything will be setup at the rec field pavilion area.

Jess gave a quick snapshot of the upcoming soccer season, where the games would be played and initial estimate on participation numbers.

Other business included harvest hub pickup on Saturday mornings, and how the rec committee could add value to the morning. Shannon volunteered to do cookie decorating with the children.

Cameron closed the meeting and Brandy seconded it.
