

Minutes from Meeting 2/23

Minutes from Prior Meeting Approved.

Public letter read about possible sledding hill at the rec field, discussion about possibility of tree removal and building hills discussed, it was decided that the property would need to be walked after snow melts, concern with retention and flooding possibilities, the item is to be tabled for now. Discussion led to options of Bike Berms for mountain bike track which may be more of an option with the land available.

Overview of Community Events- success of sledding, rec committee volunteering for afterschool programs including Steff Burt as soccer leader, Brock Miller as open Gym Coordinator, Mary Saggerson performing specialty crafts later in the year, and Brandy Goodrich assisting with care and transportation.

Discussion of AD Storage space and loans for Sports equipment to the community – Date needs to be set for Rec Committee to evaluate the items (Canoes, Kayaks Trailers) and additional storage options. Ideas of building small shelter next to or behind pavilion for rental. Date of inventory to be scheduled for Spring. Possible of rec taking equipment and bikes and renting to the community. The Library has snow shoes.

Reviewed Letter from Town Clerk Risk management evaluation/ Playground action items to be addressed with town for budget on playground safety, basketball court repaving, fencing. First action item to dig under swings and add mulch.

Budge Discussed for Disbursement of Funds for Events and improvements. Items seem accurate. More information needed for ARPA one time and future disbursements.

The library is also working on funding for projector for movies, which lead to discussions about solar panels and solar power for the rec field that would accommodate movie nights. Camps for the summer discussed, Mountain Bike Camp, Theater Camp, Bread/Craft Camp discussed for possible options.

Discussions of Policies and Procedures for Volunteers and Coaches a possible upcoming action item as more sports are combined with Twinfield.
