The previous meeting minutes were approved.

Sonia Scher joined for public comment. She wanted to check in with some of the Rec. Committee members who helped with the afterschool program to see how it went and what could be improved for the next school year. There was talk about dividing the clubs into 2 age groups and having more physical activity clubs, like open gym. She mentioned that the first day of afterschool programming would be September 12th.

Cam mentioned that he was in contact with John Medose from Twinfield and Cabot and Twinfield would be working together to host a youth basketball camp held at Twinfield.

Stef mentioned that there is contact person for the Hardwick pump track who was going to be in contact with Mike Hogan (selectboard) to talk about how liability etc. works for Hardwick's pump track and to answer like questions.

Stef mentioned that the mulch needed for the swings and slide at the pavilion would be \$1,300. Greg Burt has offered to do the excavating but would like to be compensated for fuel.

Brandy asked if Stef knew anything about maintenance/ replacing of mulch over time so the committee can plan for the future. Stef was going to check about how often maintenance would be required/necessary.

Cam mentioned that there should be a sign that says that the pavilion is reserved on days when it is so if people are casually at the pavilion, they know that they need to exit at a certain time. It should also be mentioned that cars cannot drive up or park at the pavilion when it is being rented, except for certain circumstances.

The committee talked about plans for the 4th of July and planning how bouncy house use and slushies would be sold.

- On July 3rd committee members will meet at 5:30p.m to transport the bouncy house to the rec field.
- On the morning of July 4th, committee members will meet at 8:30 to set up a concession stand for slushies. The slushies will be sold for \$3.
